

Workshop idea

By the Austrian team

Topic: Fixing the curriculum for a language course for one term

Target group : Language teacher, and language learner

General objectives : Involving the learners in planning of teaching plans

Delivery Requirements (e.g. logistics): room, flipchart, board marker, magnets, A3 / A2 paper sheets in different colors, planned curriculum by the teacher for the term

Group agreed: 14 – 99 years

1. The teacher present his /her teaching plan for the course. (10 minutes)
2. He/she prepares paper sheet with different colors for the skills and topics for:

3. All learners are allowed to contribute his/her ideas and wishes on the colored papers on the flipchart. first in pairs, than in the whole group (20 minutes)
4. The teacher and the students fix together the curriculum for the course based on the ideas of teacher and students.(10 Minutes).
5. Open discussion (round table) about former experiences in learning languages, best and worst examples (20 Minutes)

The teacher should make notes about the discussion and implement the experiences in the teaching plan of the course.
